Dear Partner,

Grace and peace to you and yours.

“Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.” (John 14:27) “These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.” (John 16:33)

There are many problems in this world and many people who live in constant fear and dread of all that’s happening. But we are not of this world. We are to live very differently.

As the verse above states, we have an order from the Head of the Church that we not allow fear to influence us. He didn’t say, “Try...,” or “Do your best.” He said, “Don’t let it...” Scores of times throughout the Bible we see the charge, **“FEAR NOT...”**

A while back the Lord gave us a teaching I called, “An Act of Fear.” (The enclosed CD is from this series.) One of the main truths we found was that acting on a fear is about the most dangerous thing a person can do. Just like faith acted on can bring miracle-working power, fear acted on can bring devastation. Your fears will come on you. (Job 3:25)

But glory to God, our faith will come on us! The problems on the planet are not restricting God, only the fear and unbelief in men’s hearts. All things are possible to him that believeth! Now is a great time for God to get glory in our lives.

The Lord has been speaking to us that we’re in a **season of finishing**. He’s enabling us to complete projects, pay things off, etc., so that we’ll be clear and unencumbered. His plan is that we are free and able to go on to even greater things with Him. He gave us a word that within just a few days, **“We’ll be in the best shape of our lives!”** Fear would say, “No way right now,” or “How could that happen with everything like it is?” Oh but faith will dare to expect it anyway. Allow no fear into your mind and no fearful words to come out of your mouth. Boldly proclaim that you’re sailing through the present difficulties and going even higher than ever before. And according to Jesus, you will have just what you’re saying.

The future He’s planned for us is very bright.
