

Write the Vision

I. SIT DOWN

Take some time (*with your spouse and children if you have them*) to check your heart and talk about these 3 areas...

II. WRITE DOWN (3 Things)

- 1) What you desire to give into the Kingdom of God this year.
- 2) What you owe—every debt, large or small. (Write down the principal, interest rate, payment, etc.)
- 3) What you would like to have or do personally if price/cost was of no concern.

III. HOLD UP

- 1) **Hold the papers up before the Lord** (*with your spouse and children*).
- 2) **Acknowledge** the Lord as your total Source and **Thank Him** for caring for you in times past.
- 3) **Ask Him** to enable you to fulfill the vision you've written.
- 4) **Claim** all the funds necessary (*plus some extra*) to give, pay off, and do what you have written.
- 5) **Command** the devil to take his hands off these monies. Forbid him to hinder it coming to you.
- 6) **Charge** the ministering spirits to go and work swiftly to cause the monies to come in.
- 7) **Thank the Father** wholeheartedly for bringing these things to pass in your life, to His glory.
